

**Tserenbaljid
Sosorburam**

Department	Department of Physics	Position	Senior lecturer
Tel	+976-99086352		
Office	T-501a		
ORCID	https://orcid.org/0000-0002-4150-5553		
E-mail	baljia@must.edu.mn	Home	http://www.sas.edu.mn/

Education

- 2013: Ph.D., Mongolian University Science and Technology, Physic-Technologist
- 2004: M.S., Mongolian University Science and Technology, Engineer - Physics
- 2002: B.S., Mongolian University Science and Technology, Engineer-Physics

Research areas

- Material science
- Study of Thermal Power Plant's ash
- Nondestructive testing
- Research on properties of Limestone under high temperature. Processing of building and technological lime

Career

- 2022~Present: senior lecturer, School of Applied Sciences, Mongolian University of Science and Technology of Mongolia
- 2019~2022: Lecturer, School of Applied Sciences, Mongolian University of Science and Technology of Mongolia
- 2015~2019: Training Master School of Applied Sciences, Mongolian University of Science and Technology of Mongolia
- 2004~2015: Training engineer, School of Applied Sciences, Mongolian University of Science and Technology of Mongolia
- 2002~2004: Academic assistant, School of Material Technology, Mongolian University Science and Technology of Mongolia
