Education

- 2011: Ph.D in Chemical Science, Mongolian University of Science and Technology
Dissertation title: Investigation of biomarker hydrocarbons of grude oil.
- 1995: Master of Science in Engineering, D.I. Mendeleyev University of Chemical Technology of Russia
Thesis title: Project in unit for industrial methanol production. Output 200.000 t/year.

Research areas

- Petroleum and its product processing
- Solid fuell and its product processing

Career

- 2015-current: Associate professor at Chemical Engineering Department, School of Applied Sciences, Mongolian University of Science and Technology
- 2014-2015: Lecturer at Chemical Engineering Department, School of Applied Sciences, Mongolian University of Science and Technology
- 2003-2014: Lecturer at Chemical Technology Department, School of Material Technology, Mongolian University of Science and Technology
- 1996-1999: Lecturer at Chemical Technology Department, Technical University of Mongolia
- 1995-1996: Coal Chemistry and Technology Development Center, Researcher
